MEMORANDUM FOR: All CS Historical Officers
SUBJECT : Station and Headquarters Chronologies

1. In an effort to assist as many writers of CS history as possible, the HS/CSG is planning the preparation and 1968 publication of two supplements to the Antecedents of the Clandestine Services.

a. The first of these will be a chronology of CS overseas installations from 1 October 1945 to 31 December 1967. It will consist of a tabulation of our Stations and Bases by geographical location; the names and dates of tenure of Chiefs, Deputy Chiefs, and Chiefs of Operations, where applicable. There will be a separate volume for each area division.

b. The second publication is planned as an organizational chronology of CS Headquarters elements from 1 August 1952 to 31 December 1967. This, too, will list Chiefs, Deputy Chiefs, and Chiefs of Operations, where applicable, in a separate volume for each area division.

2. Our soundings have indicated that most, but not all, of this data is available in the individual CS area divisions. We are, therefore, asking your assistance in making available as much of this information as you may have already compiled; and the HS/CSG will fill in the gaps where such exist.

3. As the publication described in 1.a. above will be given priority over the other, it would be appreciated if presently available information could be forwarded informally to the HS/CSG (1-D-27) to avoid duplication of research.

4. These projects have the approval of the CS Historical Board.
